

2025-2026 Childcare Pricing

2025-2026 pricing explanation can be seen below. Since each month of the school year has a different number of school days, each month's price will vary depending on the number of days. For example, December will be a lower amount than March. Families who choose to sign up for 5 days receive a discounted rate as seen below, as this is more convenient for staffing purposes. Families are required to sign up for the entire year. If you need to withdraw your spot due to unforeseen circumstances, we require that you submit a written request two weeks prior to your last scheduled day. Childcare balance are due monthly. Meaning that October's Childcare Balance will need to be paid prior to October 1st. For more information, please review the Childcare Parent Handbook.
