

OUR IMPACT ON OUR COMMUNITY IN 2022-2023

Here at Buxton Recreation we strive to offer high quality programs that connect the Community. We use our passion for recreational opportunities to help families and individuals develop a love and passion; for a physical, emotional, and mental sound life style were they can "PLAY EVERY DAY." Whether that be walking in one of our many parks, playing soccer, or taking a trip with us. We look forward to building a healthier community to come!

3 Full time and **20** Part time staff members.

We saw a **55.84%** increase in programs offered, with over **120** programs created.

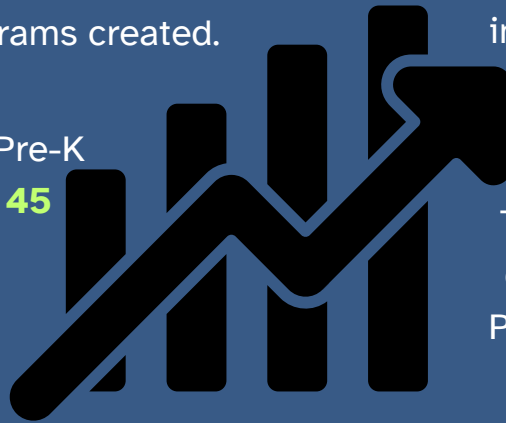

Over **28%** increase in registrations with over **2,565** processed registrations.
